

Welcome Hangout

On Sunday 1st December 2024, we held our second welcome hangout of the year. Welcome hangouts are special receptions we host for those who have recently joined our church family. It's an opportunity for new members to meet the pastors and get to know the church better. At the recent event, everyone introduced themselves and our senior pastors welcomed them officially into the congregation. Pastors Gordon and Lynne expressed that they are hands on leaders and are accessible should the need arise.

Some of the attendees shared their New Life experiences so far and commended the pastors for always preaching the undiluted truth of the word of God.

2024 Roundup

It has been an eventful year in the life of our church. We look back with gratitude and truly the Lord has been good to New Life Christian Centre. We also look forward with faith and full of expectation regarding all that God has in store for us in the new year. In 2024, we held different events like the couples hangout, youth hangouts, ladies Christmas party and we also received the ministry of Evangelist Newberry Heame. In 2025, we are enlarging the place of our tent, stretching our curtains wide because we're expanding to the right and to the left.

Christmas Eve

Our special Christmas eve service will start at 6:30pm on December 24th 2025. Doors will open from 6pm for early birds or those who will like to come in directly from work.

This is another opportunity to invite friends, neighbors and family as well. You really don't want to miss this service as it promises to be a great evening celebrating the birth of Jesus.

Baby Dedication

The Oluwanifise's dedicated their baby girl, Zoe to the Lord in the month of October. Pastor Gordon declared blessings from the scriptures over the little one. He also prayed for her family. We believe that God's hands will be mighty on Zoe and that like David, she will serve God's purpose in her generation.

2025: Get Planted.....

2025 is for getting involved in church. This is how we become planted and rooted in the body of Christ. ‘Those who are planted in the house of the Lord shall flourish in the courts of our God’ - Psalms 92:13.

Often times we put the cart before the horse when we want the flourish that the word promises without the planting. This is one of the many conditional promises in the bible; we will flourish and thrive but we first have to be planted in the church. A tree or plant will not grow if it’s not in the right soil. You are the tree while the body of Christ is the soil.

Practical ways to get planted you ask? Attend prayer meetings, join a house group, use your giftings, talents and skills to serve in the church.

Midweek Prayer Meeting

Our midweek service will resume again in January. It’s an opportunity to top up on the corporate anointing during the week. It’s also a great alternative for those who work on Sundays. Remember that the bible teaches that we should not forsake the gathering of ourselves together as believers.

Intercessory Prayer

Our intercessors meet first and last Friday of every month to pray for an hour from 7pm. We encourage you to make plans to attend in 2025.

House Groups

Our house groups have kicked off and you’re missing out if you haven’t been attending. We fellowship together and spend time discussing the word of God. This ought to be part of your 2025 calendar!
